

Press Release

Dealnext advises Sustainable Agro Solutions, a company backed by Stirling Square Capital Partners on the acquisition of Aqua do Brasil.

MSIDA, September 25, 2025 – Dealnext is pleased to announce that it has acted as exclusive financial advisor to **Sustainable Agro Solutions S.A. (SAS)** a global leader in biostimulants and sustainable crop nutrition, in its acquisition of **Aqua do Brasil Ltda.**, a Brazilian company specialized in agricultural solutions tailored to tropical crops. The acquisition strengthens SAS's presence in Latin America, one of the world's most dynamic agricultural markets, and enhances its ability to provide innovative, sustainable technologies to farmers across the region. Aqua do Brasil brings extensive local expertise, a strong distribution network, and deep knowledge of Brazilian agriculture, complementing SAS's global capabilities and growth strategy.

"We are proud to have supported Sustainable Agro Solutions in this important strategic step," said Massimo Amoroso, Partner at Dealnext. *"This transaction underlines our commitment to advising companies that drive innovation and sustainability in agribusiness."*

With this acquisition, SAS continues to expand its global footprint and reinforce its mission to help farmers produce more with fewer resources, contributing to a more sustainable food system.
